

TSM VISION:

Creative use of technology will inspire and encourage our pupils to achieve their full potential.

What this will look like:

- ☐ *Children are empowered to use ICT creatively across the curriculum*
- ☐ *Children use a range of multi-media to communicate with children both in the UK and overseas*
- ☐ *Technology supports all children to fulfil their potential*
- ☐ *TSM staff are skilled and creative users of technology*
- ☐ *Children have competent typing skills*
- ☐ *TSM has a well established VLE and uses technology to communicate with parents/carers and all stakeholders*
- ☐ *TSM resources are up-to-date with current technology*
- ☐ *Planning is held centrally by computer*
