

Trinity St Mary's Church of England Primary School

SMSC Policy Spring Term 2021

"Many Hearts Make A School"

It is our vision to follow in the footsteps of Jesus: dreaming big; working hard; not giving up; never stopping learning and being kind.

We achieve this through our associated Christian Values of: love, honesty, forgiveness, dedication and sharing.

Our vision, Christian values and school motto enable every person in our family to thrive. We are a warm, welcoming school where everyone matters. Our school community shows kindness and caring towards each other and our local and global communities. We dream for all of our children to grow up to be happy, kind-hearted, caring, responsible and successful members of God's creation.

Trinity St. Mary's C. of E. Primary School

Spiritual, Social, Moral and Cultural Policy

At Trinity St Mary's C. of E. Primary School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures. This in turn will help us to promote British Values effectively and give children a rounded education.

Guidelines

All curriculum areas have a contribution to make to the child's spiritual, moral, social and cultural development and opportunities for this will be planned in each area of the curriculum.

All adults will model and promote expected behaviour, treating all people as unique and valuable individuals and showing respect for pupils and their families.

The school community will be a place where pupils can find acceptance for themselves as unique individuals and where forgiveness and the opportunity to start again is fundamental to the ethos of the school.

Pupils should learn to differentiate between right and wrong in as far as their actions affect other people. They will be encouraged to value themselves and others.

Pupils should understand the need for rules and the need to abide by rules for the good of everyone. School and classroom rules should reflect, reiterate, promote and reward acceptable behaviour and provide opportunities to celebrate pupils' work and achievements.

All curriculum areas should seek to use illustrations and examples drawn from as wide a range of cultural contexts as possible. This will be reflected in teacher's planning and purchasing decisions.
