WHAT 'SOCIAL AWARENESS' MEANS TO US

- Working, successfully, as a member of a group or team
- Sharing views and opinions with others, and working towards consensus
- Showing respect for people, living things, property and the environment
- Encouraging pupils to recognise and respect social differences and similarities
- Helping pupils develop personal qualities which are valued in a civilised society, for example, our Christian values, respect for difference, moral principles, independence, interdependence and self-respect
- Providing opportunities for pupils to engage in the democratic process and participate in community life
- Providing opportunities for pupils to exercise leadership and responsibility
- Appreciate the rights and responsibilities of individuals within the wider social setting
- Providing age appropriate opportunities to develop the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs
- Helping pupils to challenge, when necessary and in appropriate ways, the values of a group or wider community
